

By CHARLES E. CHAPEL, Assemblyman, 46th District. The Board of Trustees, California State Colleges, has its permanent headquarters at 2930 W. Imperial Highway, Inglewood. The telephone number is PL 7-5161. The Honorable Glenn S. Dumke, A.B., M.A., and Ph.D., is chancellor and also secretary-treasurer. His first vice chancellor is Don M. Muchmore. There are many other trustees, officers, employees, etc., but John Richardson, vice chancellor, business affairs, is the one in whom I place the most confidence. If you have any questions, a letter, preferably sent by certified mail, to any of the above gentlemen, may bring an answer, although whether it is the answer the public wants or not, is beyond my control.

FOR MONTHS the Board of Trustees has been postponing any decisive action on the location of the South Bay State College. A reliable informant has told me that the Board is deliberately stalling until the Legislature adjourns at midnight, June 21, 1963. Their last meeting was in Northern California near the Oregon border, and I was informed in confidence that no decision was to be made regarding the South Bay State College at that meeting. At least, no decision was released to the press or the Legislature.

The next scheduled meeting will be at the Los Angeles State College, 5151 State College Drive, Los Angeles 32, on June 6 and June 7. Please write or telephone the headquarters of the Board of Trustees in Inglewood to learn the hours and building in which the meetings will be held. If you plan to attend, telephone the headquarters again the day before you plan to attend to be sure that the hour and place has not been changed.

THE STATUTES of the State of California require that these meetings be open to the public. You may be told that the site selection for the South Bay State College is not on the agenda, but my advice is to disregard such information, attend the meetings, get acquainted with the Board of

Seniors' Club Plans Trip to Hearst Castle

Plans for bridge, canasta, and checker tournaments, as well as two trips in June, will be discussed at tomorrow's 1 p.m. meeting of the Riviera Senior Citizens Club at the El Retiro Park recreation building. The club charter will be read and presented to the Torrance Recreation Board for their June 12 meeting.

The June trips, for members and guests, will include a visit to Hearst Castle, June 3 and 4, and a mystery ride, June 12. Mrs. Margery White, FR 8-4322, is in charge of the former and Mrs. Mary Roberts, DA 6-9435, the mystery trip.

The club is open to all senior citizens of the Riviera and surrounding areas. Mrs. Elery Price, club chairman, FR 5-4597, will answer questions regarding membership.

County OK's Street Work

Plans and specifications for construction of streets serving a new tract area near Carson and Vera Streets in the Dominguez area has been approved by the County Road Dept.

The tract developer will construct .87 mile of streets at an approximate cost of \$50,600. Completion of the project will improve access to 97 homesites in the tract, Supervisor Burton W. Chace said.

Harbor General Awards Workers

Harbor General Hospital, in conjunction with National Hospital last week, held volunteers recognition night yesterday to present awards to the adult auxiliary, volunteers for children, and teen-age candy-striper volunteers.

During the ceremonies which began at 7:30 p.m., Mrs. Marguerite Brown McAllister, chief of patient service, presented community service silver bars; Mrs. Bernardine Clark, RN, director of nursing, presented special certificates to organizations and individuals; A. L. Thomas, administrator, and L. R. Smith, assistant administrator, presented certificates and pins.

Trustees, their officers, employees, and runners, and ask them how they can justify locating the South Bay State College on the 100 acres of Fox Hills Country Club, or even on the Inglewood Country Club Golf Course, the latter being one of their possible contributions to higher education. My Assembly Bill No. 2054, co-authored by the Honorable Clayton Dills (Democrat) mem-

ber of the Assembly from the 67th District, prohibits the use of the name "South Bay State College" for any State College located outside the boundaries of the 46th, 67th and 68th Assembly Districts. In other words, unless the college is located in the district represented by the Honorable Clayton Dills; the Honorable Vincent Thomas (Democrat), the 68th District; or the 46th District,

which I represent, it is not a South Bay State College.

THIS BILL was sent to the Assembly Committee on Ways and Means by the Right Honorable Jesse M. Unruh, speaker of the Assembly although there is no appropriation in the bill and, hence, the bill should not be sent to the Ways and Means Committee, unless Mr. Unruh wants the bill killed.

My A.B. 2083 requires that any state college constructed in the future in the City of Inglewood, or on, adjacent to, or in the vicinity of the Fox Hills Country Club, be known as the Howard Fieldstead Ahmanson Memorial State College. This is a sincere effort on my part to recognize the efforts made by Mr. Ahmanson to advance the cause of higher edu-

cation by getting a state college on 100 acres of land. My Assembly Bill No. 2053 is a "stand-by bill." It appropriates money for a South Bay State College located in the 46th, 67th or 68th Assembly Districts, just in case Ahmanson and his jolly friends put the college in Inglewood or on 100 acres of the Fox Hills Country Club. God save the state!

Brother-Sister Team Wins Ribbons at Science Fair

A brother and sister team shared honors at a recent science fair and will enter their exhibits in other Southland fairs for added competition. Alina Gregory, a senior at Marymount, won a first place ribbon for entry in the senior division biological class.

Andre Gregory, a freshman at South High School, won a fifth place in the junior biological division. Each plans to enter exhibits in the City of Commerce Science Fair. Alina and Andre are the children of Dr. and Mrs. Nicholas Gregory of Torrance.
